THRYVE

SKIN PRICELIST 2026

thryveclinic.co.uk

WELCOME

At THRYVE, we bridge the gap between medical expertise and meaningful wellbeing.

Rooted in evidence-led skin and longevity care, THRYVE offers a refined and intelligent approach to treatment within a calm, considered space. Under the guidance of myself, Sophie Riddell, each experience is personalised and unhurried - designed to honour individuality while ensuring every client feels safe, seen, and supported.

Blending clinical precision with warmth and understated luxury, our treatments are thoughtfully curated to deliver results with integrity, confidence, and care.

A handwritten signature in white ink, reading 'Sophie Riddell', positioned centrally below the main text blocks.

SKIN · SCIENCE · SOUL

A close-up, high-resolution photograph of a person's face, focusing on the eye and cheek area. The person has light green eyes and numerous small, light brown freckles scattered across their skin. Their hair is a light brown color. The lighting is soft and natural, highlighting the texture of the skin.

Sun spots £45

A close-up, artistic photograph of a person's shoulder and neck. The skin is a warm, golden-brown tone. The lighting is soft and directional, coming from the upper left, which creates a gentle highlight on the shoulder and casts a soft shadow on the neck. The background is a neutral, light grey. The overall mood is serene and elegant.
